EMPLOYMENT OPPORTUNITY

DRAFTING TECHNICIAN

Terre Hill Concrete Products is seeking a qualified candidate to join our Precast Drafting & Engineering Department as a full-time drafting technician. Familiarity with civil engineering plans and design is preferred, though we are willing to train a promising and ambitious entry-level candidate. This position is adaptable to suit either an experienced drafter looking for a change in careers or a newcomer who wishes to gain valuable real-world experience in the field of civil drafting and design.

The ideal candidate should possess/be:

- A highly-motivated individual with a desire to learn and assimilate new information and ideas.
- An independent worker who can effectively prioritize daily tasks and meet deadlines.
- Able to effectively communicate with customers, contractors, engineers and coworkers.
- Proficient in AutoCAD design, MS Office applications and general computing.
- As Associates Degree in Drafting, Industrial Arts, or a related field is preferred.

Compensation is commensurate with experience.

Applicants should send their professional résumé with cover letter and earnings history/requirements to:

Joshua Martin
Director of Human Resources
Terre Hill Concrete Products
PO Box 10
Terre Hill, PA 17581

Or email your information (PDF or Word Formats) to jobs@terrehill.com

About our company:

Founded in 1919, Terre Hill Concrete Products is among the mid-Atlantic region's most well-respected producers of concrete block, storm and sanitary sewer systems, box culverts, precast span bridges and innovative stormwater management structures. We are headquartered in the small town of Terre Hill, Pennsylvania, in the northeast corner of Lancaster County, with additional production facilities in nearby East Earl and Lebanon. More information is available on our websites, www.terrehill.com.

Qualified candidates will be contacted for interviews. Please, no phone calls.
